

Apprenticeship Levy-funded Leadership Award with NPQ

National Professional Qualifications (NPQs) are the DfE's flagship suite of qualifications for aspirant and serving school leaders.

As the leading NPQ provider, we have created 2 new leaders apprenticeships which combine either our middle or senior leadership NPQs with the level 5 Operations/ Departmental Manager Apprenticeship meaning your school can:

- Cover the cost of the qualifications utilising your school's levy contribution
- Provide staff NPQ training with an added focus on behaviour and skills development
- Drive sustainable improvement through focussed in-school activity
- Access national qualifications contextualised to your needs

What is an Apprenticeship?

Apprenticeships are work-based training programmes designed to help employers train staff for specific job roles.

An apprenticeship can be for new or existing staff at any level of an organisation.

What is the Apprenticeship Levy?

The levy is paid by employers with a wage bill of over £3 million. These employers pay 0.5% of their total annual wage bill into the levy. Most state-maintained schools and multi-academy trusts pay into the levy.

If your school is a non-levy payer then you can still access a funded apprenticeship.

How do I access the Levy?

School Type	Levy paying Academies and Trusts	Maintained schools (LA funded)	Non-levy paying schools
Accessing Funding	Drawn down directly using your Apprenticeship Service Account	Drawn down by the Local Authority from their levy fund	Education Skills Funding Agency (ESFA) will fund 95% of the course fee through the 'co-investment' scheme

Outstanding Leaders Partnership

Rated 'Exceptional' by the DfE's quality assurance agent and voted 'Company of the Year' at the BETT Awards. We are the leading provider of NPQs nationally.

OLP work in partnership with over 100 teaching schools, trusts and dioceses to provide schools local access to national qualifications, facilitated by serving school leaders and contextualised to local needs.
